 Cell Phone # (Dad): _____ Cell Phone # (Mom): _____
 Emergency Contact (If Parent or Guardian cannot be reached):
 Name : _____ Relation to Student: _____ Phone: _____
 Medical Insurance Company: _____
 Policy number: _____

Michindoh maintains a supply of commonly used over-the-counter medications for first aid treatment. Please do not send bottles of Tylenol, Advil, Cough drops, Band-Aids, etc. We highly recommend sending specific over-the-counter medications if your child can only have a specific brand due to allergies or medications that your child takes regularly such as vitamins.

Due to Federal & State Law ALL medications must be in their original packages and be in the name of the student taking the medication. i.e. prescriptions in the prescription bottle, Tylenol in the Tylenol bottle, herbs in the bottle they were bought in. All prescription medication must have the prescription label. If you have an inhaler, the box must come with it. **We CAN NOT give the prescription medication without the label.** If the dose or times have changed from the label on the bottle, we must have a note with the changes on it and the doctor's signature.

ALL MEDICINE MUST BE IN THEIR ORIGINAL CONTAINERS.

Please list any medications that your child will be taking while at camp:

Name of Med	Dose	Reason for Med	When taken
example: Accolate	1 pill 2X a day	Asthma	Breakfast, Dinner
_____	_____	_____	_____
_____	_____	_____	_____

If you need more room for the medications or health history, please use the back side. Thanks!

Health History: (please check if applicable)
