

Maumee Community Coming Together To Pack 225,000 Meals *For the Feed My Starving Children global charity*

November 30 & December 1 & 2

WILL YOU HELP?

Sponsors Needed Now.

Volunteers Needed Nov. 30, Dec 1 & 2.

Maumee City Schools, Maumee Churches United, Maumee Rotary Club, and Munn Wealth Management in Arrowhead Park are working together for the second time since 2015 to organize this charitable effort for the Maumee community.

The goal this year is to assemble and ship at least 225,000 meals to some of the most malnourished children in the world. Each meal costs less than 25 cents. That means our fundraising need is \$50,000.

Every 4th and 5th grade Maumee student will take a shift packing meals as part of a service learning project that increases their awareness of the problem of global hunger, while giving them the opportunity to help through service. Maumee student athletic teams & clubs, staff, and individual students and their families will be volunteering, **but a successful event requires approximately 1,125 volunteers.**

\$20,000 has already been committed, but we need your help to raise \$30,000 more. If you are willing to consider sponsorship, we'd like to talk more with you about opportunities.
