

Game Club

Game Club is excited to announce that we will begin meeting in October! We will meet from **3:45-4:45 p.m.** We currently have over 60 students in game club meaning that we will be splitting our meeting dates by grade level. Please make sure to only send your child to game club on their designated grade level date! Also, please make sure to arrange transportation plans with your child prior to the school day. At our first meeting, we will go over expectations and rules prior to playing games. Game Club is designed for students to have additional opportunities to socialize, play games, and have fun!!!

I have created a class on Remind, which is an app that will send you a message the night before your child's game club date to remind you and your child in hopes to help you get transportation plans made before the school day. Please see the attached page to sign up for these reminders!
