## The Substitute Employee - Vital Member of Our Team

You are important to us and we value your service as a substitute employee. It is vital that an excellent educational experience continues when the regular substitute finds it necessary to be absent. Being a substitute employee is both challenging and rewarding.

Building administrators and other staff members are available in each school to assist and answer questions when you are on an assignment. This handbook is designed to answer frequently asked questions, so please keep it for a handy reference. However, feel free to contact Daphne Bauerschmidt at the Administration Offices at 419-893-3200 if you need more specific information. We hope that your operational substitute experience is a positive one and we thank you for your readiness to accept this important job.

### Synopsis of Substitute Position Responsibilities

### About Maumee City Schools

The district has a total enrollment of approximately 2,500 students in five school buildings: three elementary schools, a middle school and a high school. The administration office is located in the "old" Fort Miami Elementary school building off River Road at 716 Askin Street.

### Employment Information

Our policy is to use substitutes approved by the Board of Education. In order to be employed, a substitute employee must have at least a high school diploma or its equivalent. Any candidate recommended for employment as a substitute is required to submit fingerprints for a State of Ohio Bureau of Criminal Investigations Identification (BCII) and Federal Bureau of Investigation (FBI) check and have a successful result from the background check. This means completing a fingerprint scan through WebCheck, which can be done at the Maumee City Schools Administration Office. The candidate must submit payment in the amount of \$46 for

the fingerprint processing fees. If a candidate had a background check done for previous employment elsewhere, Maumee Schools may be able to accept these results, provided they were completed within the last 365 days.

### Required Procedure for Employment

To apply for a substitute position, please submit your application through our website using AppliTrack. To do this, go to [www.maumee.k12.oh.us](http://www.maumee.k12.oh.us), click on "employment" in the slider bar, click on "view open positions," then under vacancies click "substitute operational." Begin your application by clicking the gold box on the right. You will need to set up an account.

You will be required to upload the following on AppliTrack:

- Cover letter
- Resume
- Letters of reference (Maumee requires at least one written, professional recommendation)

Once the Administration Office has accepted your application, you may be contacted for a brief interview. If you are hired, you will be required to complete the operational substitute documents packet:

- Emergency Medical Information
- Social Security Card (copy made at the Administration Office)
- SSA-1945 Statement concerning employment in a job not covered by Social Security
- Payroll Forms
- Employment Eligibility Verification Form (Form I-9)
- Signed Statements for a Drug Free Workplace, Anti-Harassment Policy and other statements as required by law
- State and Federal Criminal Record Check Results
- Annual 403(b) Plan Eligibility Notice

All paperwork must be submitted and individuals must be Board-approved before they can begin working as a substitute. Being board-approved does not guarantee a substitute will be called to substitute for the district immediately or for a specified number of days.

### How Substitutes are Contacted to Work

In addition to administrators/building secretaries making personal phone calls to substitutes, Maumee often uses an automated service to streamline the process of recording absences and finding substitutes. The service is called Frontline Absence Management (formerly AESOP). Frontline Absence Management is available to you 7 days a week, 24 hours per day. You may interact with the system either on the Internet at <http://www.aesoponline.com> or by a toll-free automated phone line at 1-800-942-3767. When you are hired, you are assigned an ID and PIN as well as instructions on how to use the system. Persons substituting in other districts using Frontline Absence Management may combine the accounts. Food Service, Transportation, & Buildings & grounds will call individuals directly for substitute help.

With the Frontline Absence Management system, you are able to search for and accept jobs for which you qualify. Or, you may also wait to receive a call from Frontline Absence Management to accept assignments. **Positions become often available the evening before an assignment and early in the morning for an assignment the same day. Accepting these last minute positions is extremely helpful to the school district.** Specific questions regarding Frontline Absence Management should be directed to Daphne Bauerschmidt - [dbauerschmidt@maumeek12.org](mailto:dbauerschmidt@maumeek12.org).

While it does not happen often, sometimes staffing circumstances within the school may necessitate a change of your substitute assignment after you arrive. The building principal or supervisor has the authority to reassign you to other duties based upon the district's needs. The school district will make any necessary changes in Frontline Absence Management for the day.

## General Guidelines

Professional attire is expected for all substitutes. Food Service and Buildings & Grounds has specific requirements and these will be shared with substitutes before their first day of subbing.

Please only bring minimal personal items to work. You will have a place to put your coat and some personal items, but please do not bring valuables.

Report incidents of abnormal happenings to the principal or supervisor.

## Emergencies

**Accidents/Illness:** Should an accident, illness or other emergency involving students occur, notify the school office immediately. District emergency procedures shall be followed appropriate to the situation. Parents will be

notified through the school office. If you are injured, an injury/accident report must be filled out and given to the appropriate principal or supervisor.

**Fire, Tornado, Lock Down, Evacuation:** You should be familiar with and prepared to implement emergency procedures. This includes knowing the proper exits in case of fire or building evacuation; safety areas in the event of tornadoes; and procedures for a Safety Alert, or other building emergency.

Maumee is an A.L.I.C.E. (Alert, Lockdown, Inform, Counter, Evacuate) trained school district and you should understand what this means for the building in which you are working.

### Delays and Closings

School delays due to inclement weather mean that classes begin two (2) hours past regular start time and you should report to your assignment then. When school is cancelled, you do not report to work. Please watch local television stations for school delay and closing information as you are responsible to monitor delays and closures. Substitutes working for the buildings & grounds department will need to follow instructions from their supervisor about reporting/not reporting to work when the district is under a delay or closing.

### Confidentiality

All information about students and staff should be treated as confidential and shared with colleagues only as needed within the context of their job duties. When in doubt, contact a building principal or school counselor for guidance.

### Homeless Children & Youth

There are times that students/families experience homelessness during the school year. All staff members, including substitute employees, are asked to immediately contact a school counselor if they suspect this may be the case for a child/family. The counselor will in turn contact the district's homeless liaison Nancy Sayre (nsayre@maumee12.org - (419) 893-3200 ext. 10208) so the child and his/her family can immediately receive assistance.

Maumee City Schools Policy # 5111.01 address procedures for enrolling and providing services for children who meet the federal definition of "homeless." The policy and guidelines address the safeguards in place to protect homeless students. Additional information can be found on the ODE website: [www.education.ohio.gov](http://www.education.ohio.gov) (Search: "homeless children" or "McKinney-Vento Law.")

The following list of behaviors or performance issues are provided as examples of actions that may result in your removal or exclusion as a substitute in either an individual school building or the district.

This includes using your cell phone/iPad in a non-emergency situation while you have responsibility for students or to Maumee Schools. The following are typical of duties performed in school settings, (e.g. classroom, gymnasium, cafeteria, auditorium, and/or recreational areas). Daily personal and close contact with children to provide classroom management and learning environment support may be required on assigned days. Regular contact with other staff members and building administrator(s) may be required on assigned days as a substitute.

### Evaluation

Building administrator/supervisor will evaluate substitute personnel performance on the ability and effectiveness in carrying out the above listed responsibilities. Reports of unsatisfactory performance received about a substitute may result in that person being removed from the list of approved substitutes.

Substitutes who are excluded from one building in the Maumee City School District may be excluded from other buildings or the entire district.

### Additional Notes – Required Training, Contact Information

All substitute employees must complete a training module to learn about blood borne pathogens and universal precautions. You will receive information annually about completing a quick online training module. The district policy forbids staff to work in a classroom without successful completion of this training. Failure to complete required annual blood borne pathogen and universal precaution training is another reason substitutes may be removed from the sub list. Reinstatement is handled on a case-by-case basis.

Changes of address/phone number OR if a substitute desires to be removed from Maumee's substitute list, he/she should put the request in writing to **Daphne Bauerschmidt – dbauerschmidt@maumeeek12.org**.

### Maumee City School District Policies

All substitute employees are required to abide by Maumee Schools' board of education policies. All policies can be found at [www.neola.com/maumee-oh/](http://www.neola.com/maumee-oh/). Policy manuals with hard copy versions of policies are available in school offices.
