AT MAUMEE HIGH SCHOOL

Your Event... Our Place

As the flowing maroon curtain majestically lowers, the audience rises to their feet, clapping ecstatically. Another curtain closing, another successful performance! Welcome to the Performing Arts Center at Maumee High School. Opened in May of 2005, the "PAC", as we lovingly refer to it, has been host to a growing number of conferences, elegant functions, dance and theatrical performances. As one enters the shining marble lobby, it comes as no surprise that tens of thousands of people have visited the Center. With a seating capacity of 794, the PAC is equipped to handle even the most elaborate of productions. Thespian activity aside, we are also equipped with a state-of-the-art business center, complete with internet, phone, and computer access. When planning your next function, consider the Performing Arts Center at Maumee High School. Do us the honor of using our place to host your event!

Thank You
