

August 28, 2019

Dear Panther Community,

Due to overwhelming support, the MCS/Impact for Hope "Bucket Brigade" effort is being EXTENDED until next week Friday (September 8). Maumee High School Interact is coordinating the collection of supplies to assist the victims of the hurricane in Texas.

Impact for Hope asks that you consider filling a 5-gallon bucket (with a lid) with any of the following items:

- Dish soap
- Window cleaner
- All-purpose cleaner
- Toothbrushes
- Scrub Brush
- Magic Eraser sponges
- 4 sponges (heavy duty scrub pads)
- 2 pairs of rubber gloves
- 1 box of large plastic trash bags
- 1 bottle/tube of sunscreen
- 1 bottle of insect repellent
- Roll of Paper Towels
- Spray Bottle

We have had some questions about the 5-gallon buckets:

Q. What type of bucket is this?

A. It is sometimes used as a large paint bucket or a drywall compound bucket. It is not a typical house-type bucket.

Q. Where can I get the 5 gallon bucket?

A. They are sold at hardware stores.

Q. Can I drop off supplies that are not in a bucket?

A. Yes. We will package any loose donated supplies into some buckets that have been generously donated to MHS.

Donations can be dropped off at any Maumee City Schools school building or the administration office building.
